## Log In For Staff on a Windows LPS Laptop

At the log in screen, please select "Other User" on the bottom left corner.

For the Username, enter your **First Name.Last Name**. For the password, it should be the **same as your LPS email**.

If you see a globe icon where the Wi-Fi icon should be on the bottom right, please confirm you are connected to Wi-Fi. If you are at home using an LPS laptop, connect to your home Wi-Fi before trying to log in. If you are within a school building it should connect automatically.
