

Managing Devices in Google Admin for School techs

1108 March 9, 2022 [Mobile Devices](#) 642

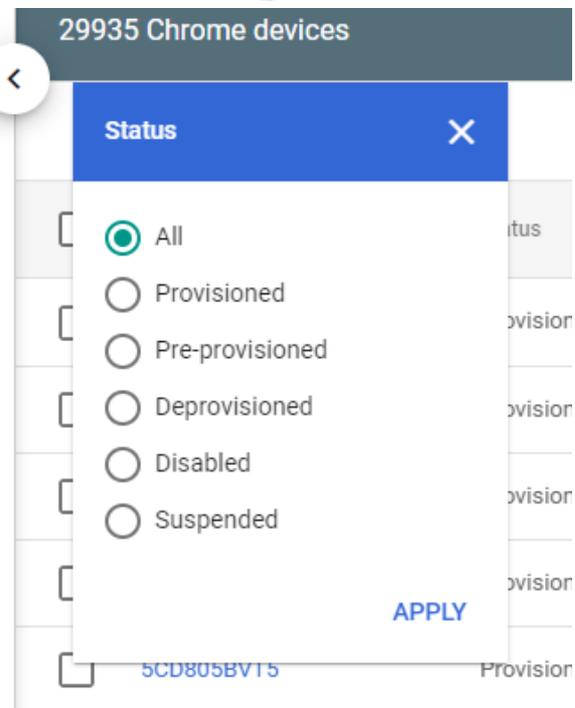

Moving Chrome books

A cart is called an **Organization Unit (OU)**. You can move chrome books from one OU to the other.

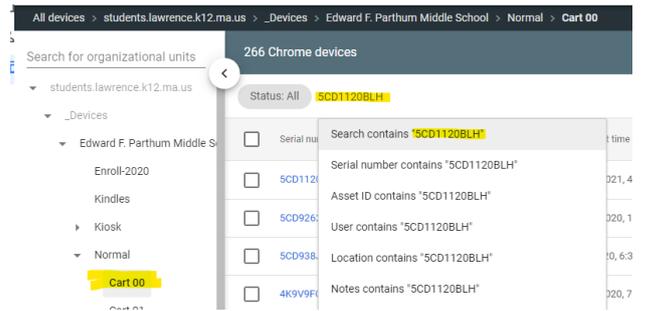

1. First Log into Google Admin

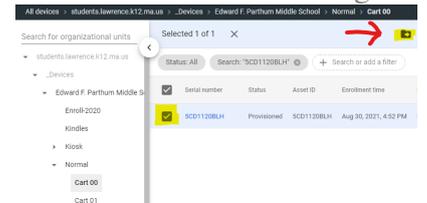

2. Next expand your school's OUs.

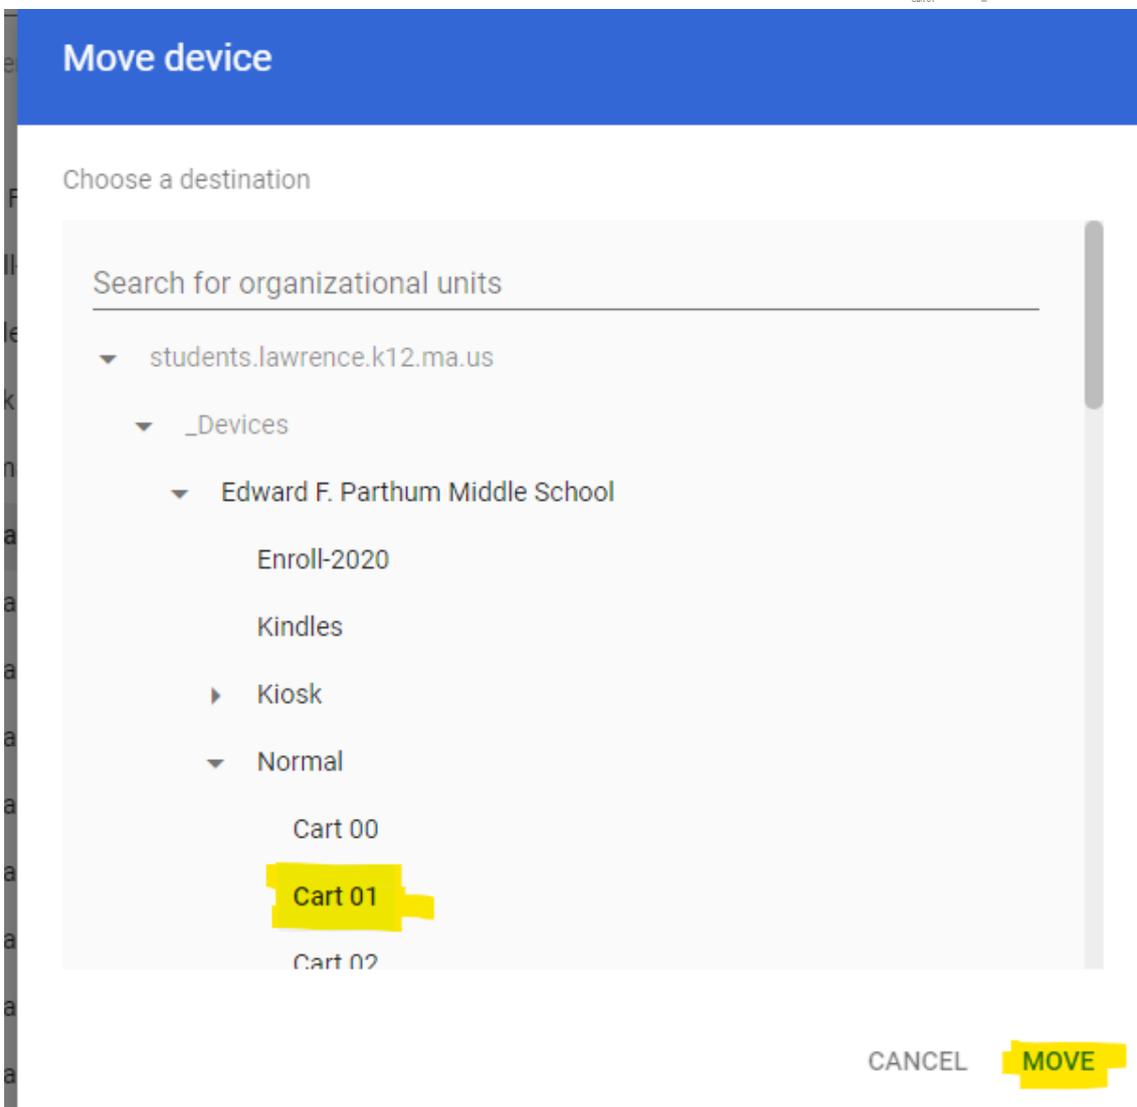

3. Change the **Status** from **Provisioned** to **All**

5. Click to check the box near the serial number you searched for and click the **Arrow** on the right.

4.

Viewing Chrome Book details

1. Find a chrome book you need information on by searching it's serial number.
2. Click the serial number and scroll down to the **System Activity and Troubleshooting** section.

In this section you can see when was the last time the device was updated and last logged on by the most recent users. It also tells you the disk space usage.

System activity and troubleshooting
