# Remove Metered connection settings

1109 March 14, 2022 [Network](#) 637

If the student has set the wired internet access to be a "Metered connection", the computer will not download MineCraft and other apps
Click on the network icon in the bottom, then click on "Network & Internet settings"

If you see "You're on a metered network" click on the Properties buttion

Status

Network status

Ethernet
lawrence.k12.ma.us

You're connected to the Internet

You're on a metered network. Some apps might work differently to help you save data while on this network.

Ethernet	
From the last 30 days	7.02 GB

Properties	Data usage

Switch "Set as metered connection" from "On" to Off

Metered connection

If you have a limited data plan and want more control over data usage, make this connection a metered network. Some apps might work differently to reduce data usage when you're connected to this network.

Set as metered connection

On

If you set a data limit, Windows will set the metered connection setting for you to help you stay under your limit.

Set a data limit to help control data usage on this network

After it is set to the Off, click on the Close/Cross button in the upper right
