

How do I log in using my LPS account?

22 August 27, 2020 [Account](#), [New Staff](#) 1385

Your LPS account will be used log into a computer as well as different services used by LPS (Email, PowerSchool, Clever & etc.).

 <p>The image shows a web-based sign-in interface for Lawrence Public Schools. At the top left is the Lawrence Public Schools logo. Below it, the text "Sign in" is displayed. Underneath is a text input field with the placeholder "Email, phone, or Skype". Below the input field are two links: "Can't access your account?" and "Sign-in options". At the bottom right of the sign-in area is a blue button labeled "Next".</p>	 <p>The image shows a Windows operating system login screen for "Other user". It features a large circular icon with a person silhouette. Below the icon, the text "Other user" is displayed. There are two input fields: "User name" and "Password". The "Password" field has a right-pointing arrow button. Below the input fields are three links: "Reset password", "Sign in to: LAWRENCE", and "How do I sign in to another domain?".</p>

Here is some information you will need to know regarding your LPS account:

- When your account is created you and your supervisor will receive an email with details on your account. This will also include your temporary password if you are new to the district.

- If you are a returning employee your password will be the same one you last set. Check out the article on [resetting or recovering your password] if you are unable to log in.
- Your user name will be your **first name**, followed by a period, then your **last name**.
- This will then be followed by "@lawrence.k12.ma.us".
- For example, John Smith's user name will be "john.smith@lawrence.k12.ma.us".
- Your user name will also be your email address that other people can use to contact you.
- If you have issues logging in you can contact the [LPS Help Desk](#) for assistance.

NOTE: Never enter your LPS account credentials into any site or service you do not recognize or is not managed by LPS. Doing so can pose a security risk and can possibly compromise your account. A compromised account will be locked out until the staff member contacts the [LPS Help Desk](#).

If you have questions regarding locked accounts, check out the article on [Unlocking Accounts].
