

What do I do with old computers and parts?

4 August 21, 2020 [General](#), [New Staff](#) 1159

Staff members with old or broken computer equipment in their classroom or office should contact the facilities department at their school. The items are normally stored at a location where our department can pick them up for recycling at a later date.

We will collect items such as desktop/laptop computers & monitors, projectors, printers, phones & computer accessories (headphones, keyboards, mice & chargers)

We will not collect items such as TV's, printer ink/toner & projector bulbs

You can also contact Help Desk for any specific questions regarding this.

NOTE: Our department does not accept any personal equipment.
